---

- All times listed in the schedule are Central Time Zone times; please adjust accordingly for your respective time zone.
- For OCONUS commands, please contact your Placement Coordinator if you wish to request specific times that best fit your needs.
- All sessions listed have a maximum of 50 phone participants (45 CONUS, 5 OCONUS) on a "first come, first served" basis.
- If commands have multiple personnel attending the training, it is highly recommended that they utilize a single phone line in order to preserve the maximum potential of 50 commands attending the training.

# Activity Manning Manager Training

---

- **There is no requirement for your command to attend the training given by your particular Placement Area Lead (Shore, Aviation, Specialized, Surface, Subsurface) as the training is not specific to type of command. If you have additional detailed questions regarding your particular type of command, please contact your command's Placement Coordinator.**
- **When accessing DCS to participate in the training, we request that you utilize the "chat box" to provide your command's name, UIC, and the names and ranks of any participants who are attending the training, as this will be used to track Fleet-wide participation and attendance in the training.**
